

Now Open: Call for Abstract Submissions

Celebrating 110<sup>th</sup> Nursing Education in Korea, the Ewha Womans University, Division of Nursing Science, Research Institute of Nursing Science International Scientific Program Committee cordially invites prospective authors to submit abstracts for presentation at the International Conference on “Innovative vision for the Nursing Education in the Global World” to be held 13 March – 14 March 2014 in Korea. Submitted abstracts cover a broad range of topics related to nursing education, practice, and research.

This premier conference allows nurses and nurse educators to network and share pioneering nursing practices, research findings, original approaches to teaching, and ideas on collaborating to optimize excellence in nursing education. In the keynote sessions, Dr. Judith Shamian (president of International Council of Nurses) and the world famous nursing theorist Dr. Joyce J. Fitzpatrick (Elizabeth Brooks Ford Professor of Nursing, Frances Payne Bolton School of Nursing, Case Western Reserve University) will share their insights about nursing education in this conference. This conference highlights the importance of clinical teaching including simulation teaching methods, learning in nursing at international, regional, and national levels.
