## WHY YOU SHOULD ATTEND THE EAFONS 2021 VIRTUAL CONFERENCE?

- The EAFONS 2021 Virtual Conference will feature expert keynote and plenary speakers who will talk about doctoral nursing education in East Asia and the response to the challenging health landscapes.
- Network with nursing leaders and other attendees through our virtual networking space.
- With a virtual platform, we ensure your safety while advancing your professional career.
- Interact and share experiences with other participants and experts.
- Present and share your research with an international audience. With a virtual platform, we expect more attendees to register.
- Listen to the presentations and join the QandA sessions.
